

# *Sisters in the South East*

A forum for young women from migrant backgrounds aged 16-25 living in the South Eastern suburbs.

**How do young women settle in Australia?  
How is it different from the experience of boys? What is easier, and what is more difficult?**

**Come along and tell us.**

**On the day, there will be:**

- **Art activities with an inspiring Artist!**
- **2 Workshops** - Your chance to talk about the way you are settling and how you are going with school, making friends, your family, deciding on your career and more!
- **Inspirational speakers**
- **Local Service providers will be there to listen to you and explain what they do.**

**We are looking for 30-40 young women – Be one of them!**

**DATE**
