

The City of Hume has developed a community directory that contains some details on sporting clubs within the municipality. The guide is available on the council's website: www.hume.vic.gov.au. From the home page, click on "A – Z Index" and you will find "Community Directory" listed alphabetically. Once in the directory, go to the "Sport and Leisure" section.

NB. CMYI has compiled this database as a source of information only and does not make any recommendations regarding the listed programs. If you would like us to include your program in any of our directories, please email your details to amorrone@cmyi.net.au
